

# Women in Trades, Technology, & Engineering (WTTE)

## Mission Statement

The Women in **Trades, Technology, & Engineering** (WTTE) student organization at Athens Technical College seeks to promote success for women in non-traditional fields of study. It can be challenging for women in non-traditional fields, and this organization strives to help students overcome these challenges through mentoring, support, leadership, and service. Ultimately, we seek to empower women seeking degrees and/or careers where women are in the minority.

We will meet regularly to hear speakers, share stories of support, network, find mentors, and serve the campus community. Please feel free to join us! More information coming soon

- Mentorship
- Fellowship
- Leadership
- Service
- Networking

If you have any questions/concerns please contact one of the advisors listed below:
